

Presentation to The Gorse Hill Baptist Church

Cricklade Road, Swindon

27th August 2013

The Swindon Society were asked if they could give a presentation to an event they were running called "The Holiday at home" it ran from Tuesday 27th to Friday 30th August. The "Holiday" was to enable people to have a break and be looked after for a few days, a lovely idea I am sure you will agree. Lunch, afternoon cake and a cup of tea, and many activities had been arranged for them. They started with a fun afternoon on Gorse Hill Recreation ground, I am told as many as 1000 yes 1000 people turned up and a great time was had by all. "The Swindon Society" gave them a Power point presentation called "The Tour" taking them from The Railway Station into Regent Street, Old Town, Commercial Rd, Faringdon Road and finishing at the Tram Centre, Bridge Street, the bottom of town. The Visitors certainly seemed to enjoy the pictures as the room was full of oh! I remember that do you, oh! Yes, I do, great! Bob and myself had been invited to join them for lunch, we accepted, and a very nice lunch it was. We have been asked "can you maybe do a show at Christmas", so watch this space. Bob and I then went home for a well-earned rest.
