

## Presentation to the Wroughton Social Stroke Club

15<sup>th</sup> August 2013

The Swindon Society gave a presentation to this group last year so were very pleased to be asked back again. What to show them this time!! Bob as always came up with an excellent display showing images of Wroughton, outlying Villages, and many more. On to Beatrice Street, Gorse Hill the home of Albert Beaney, with whom you are all well acquainted, finishing with some amusing Postcard images, which brought a few giggles from the audience! The variety of photographs shown were very well received, and oh! How they hoped to see images of themselves in the Beaney section, sadly nobody did. However, one Lady remembered going to School with Bob, I will say no more!!!! Diane went along and took photographs of the group and some of these will find their way to the Web site soon. Visit the site through [www.theswindonsociety.co.uk](http://www.theswindonsociety.co.uk). Mollie Newman has been running this club for around 35, yes 35 years, that's some dedication, she is a "hero" in my book. We finished the morning with a lovely cup of tea and biscuits, and then said our goodbyes. I have a feeling we might be getting a phone call in 2014!
